To Whom it May Concern,

Attached is a photo of what vehicles see when they are going south on Willard Street where it crosses with Hillside Avenue. As you can see, I have to creep out onto Hillside each time I go by in order to see any vehicles coming down Hillside Ave. There have been a few times where people come down Hillside quite fast and by the time I've see them I am already out half way into Hillside Ave. Considering this is a highly traveled corner due to school and the funeral parlor, I feel something needs to be done as I'm sure I'm not the only one who has trouble pulling out from that corner. If a sign could be put up, 'No Parking Here to Corner', or a parking space be removed, I think it could be helpful.
