Mr. Pat McQueen
City Manager
City of Berlin
168 Main Street
Berlin, NH 03570

Dear Pat:

Thank you for contacting me regarding the TIGER grant submitted by the City of Berlin and the Androscoggin Valley Consortium to help establish an integrated pavement management program. I appreciate the challenges facing the Consortium communities and your desire to provide a network of roadways that is in good condition and an asset to the region.

At your request, I am contacting the U.S. Department of Transportation on behalf of the City of Berlin and the other Consortium communities. I hope this will prove helpful to you. I will be back in touch when I receive a response from the agency or with any further information I might receive regarding your application or the outcome of the awards process.

Sincerely,

Judd Gregg
U.S. Senator
