**Mask Ordinance**

City Manager James Wheeler discussed Governor Sununu's statewide mask mandate which expired on Friday, April 16, 2021. The City Council had voted on February 1, 2021 to keep the mask ordinance in place for as long as the State mandate. Mayor Grenier commented that Portsmouth is the only City left in New Hampshire with a mask mandate. He also mentioned that most people have received their first or both vaccines and feels we should see a reduction in positive cases in our area within a few weeks. He also suggested that members of the public continue what they're doing and not let their guards down as the numbers of positive Covid cases are still high in our area.

Mr. Wheeler advised he met with the task force today and a decision was made to still require the mask wearing in municipal buildings for a couple more weeks and revisit again at a later date. Councilor Remillard encourages businesses to continue requesting the mask wear. She feels we will see changes in the next month due to the population being vaccinated. Councilor Theberge commented he agrees with Mayor Grenier and Councilor Remillard and believes people in the community are used to it and are doing the right thing by wearing a mask. Councilor Higbee shared a screen with updates for Coos County's cases as of this morning from the NY Times. He demonstrated that our area is still at very high risk and the virus is still actively around us. Mayor Grenier stated his press release will ask to continue with CDC guidelines till we see the numbers of cases in our area reduced.
