Hi Paula , City Council, State of NH Parks/Rec

I am writing AGAIN this year to let you know of our concerns

about the atvs riding on Jericho Rd .

The speed limit is NOT the right speed for the atvs . It is 40 MPH

from just past Budweiser up to the parking lot by the old Bass Shoe

We are asking you to please have the correct people be aware of this  
!!!!

We are very concerned that someone is going to get hurt or die on  
this highway .

We have traffic that goes by here at 50+ MPH . We can only imagine  
what is going to happen

if there is an accident with an ATV and a tractor trailer . The  
Berlin PD is well aware of the

speed limit here and they do their best to control the speeders !!

There should be better SIGNS to make the traffic aware of the atvs sharing the road .

We DO NOT want to ruin the good times that people are having we just want them to be safe !!!

Maybe a flashing light along with sign saying there are ATVs sharing the road .

PLEASE Paula help us with this !!!!

Thanks

Rich and Ellen King
