**Subject:** Parking sign

Mike, there is already a no parking sign on the north side of the entrance road to the park by our new curb cut, but I'm wondering who we need to talk to about adding one to the south side of the entrance road. Lots of people walk the loop and many park down at that end once we have trailer coming and going it will be a tight squeeze getting out if there's cars park on the south side of the entrance.

Thanks  
Steve Kinney
