

Berlin Airport Authority,

This is to give you notice of intent to sell my hangar at BML and, according to the lease, give the Airport Authority the right of first refusal.

I currently do not have a formal buy/sell agreement but have a verbal agreement to sell the hangar to Brendan LaBelle of Huntington, NY for the sum of \$20,000.

Please let me know as soon as possible if the Airport Authority would like to exercise it's right of first refusal and purchase the hangar.

Regards,
