summary minutes and follow through with publishing the actual recommendations of the Committee on Traffic Safety & Transportation. The Police Department and the Public Works Department, as needed, should regularly attend Committee on Traffic Safety & Transportation, providing it, in advance as much as possible, with the information it needs and with recommendations as appropriate so that the Committee on Traffic Safety & Transportation is in a position to make informed traffic safety policy recommendations to the Council which are as consistent as possible and able to be reasonably enforced.

Traffic safety issues which are raised by the City staff (Police Department, Public Works Dept. etc) or by the Committee on Traffic Safety & Transportation members, may be brought directly to any regular meeting of the Committee on Traffic Safety & Transportation by having it placed in advance on such Committee on Traffic Safety & Transportation regular meeting agenda with the advance approval of the Chair of the Committee on Traffic Safety & Transportation.
