Berlin City Council
Main Street
Berlin NH 03570

From: Robert Haynes
Senior Pastor

Good afternoon,

I'm writing on behalf of the area churches to request permission to use Cole Street in Berlin on September 6th from 1pm-8pm for our **citywide meal**. We had done this two years ago and were amazed as almost 600 people came out for the event. We are going to invite all of you from our city government to come for this free meal that we provide in an effort to welcome families that have moved here in the last year. We will be closing the street as we prepare the food and entertainment thus the reason for the request. We are expecting a 1,000 people this year and thank you for your support in our efforts. Feel free to contact me if there are any questions.

Sincerely,

Rev. Robert Haynes
