City Clerk  
City of Berlin  
City Hall, 168 Main Street  
Berlin, NH 03570

Dear Elaine:

The Berlin Main Street Program is preparing for this year's **Berlin Community Market** starting on July 10<sup>th</sup> and continuing on to September 25<sup>th</sup>.

We have an informal request for the City's permission to allow sales of locally-produced bottled craft beer, unopened and for off-premises consumption, on the City's property at the Berlin Community Market at Gill's Park. The current interested vendor is Rek'lis Brewers from Bethlehem, NH.

We thank you in advance for your help and hope that the Market will prove once again to be a great time for the entire community.

Sincerely,

*Sylvia Poulin*
