RE: Letter of Intent

It is my understanding there may be a vacancy of the Board of the Berlin Housing Authority. As a previous employee of the Housing Authority for 12 years I believe my knowledge of the policies & procedures would be beneficial and I am asking to be considered as a Board Member.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Lisa Fournier".

Lisa Fournier

Appointment for a term expiring 12/31/2021
