REASON FOR ABATEMENT REQUEST

- A. Do you feel there was a clerical (mathematical) error with regard to the consumption reported to calculate your bill? yes
- B. If you are requesting an abatement for some reason other than a clerical error, please clearly explain why below. You may wish to include any supporting documents.

Explanation: My ex Tenant (Robin Hood), filled up a swimming pool in the back yard. He has been removed from the property because no pools allowed on the property (breach of lease). None of the water from the pool has been applied to the sewer system in Berlin. Can we use an average from the past years sewer rates, seeing how the water was not pumped into the sewer, please?
