

MAYOR GRENIER AND BERLIN CITY COUNCIL,

As residents of the Northern Norwegian Village area and surroundings in the City of Berlin, we respectfully request that the Mayor and City Council pass an ordinance allowing snowmobiles only to ride over the northern section of the class VI; City paper street known as Highland Park. The section of Highland Park mentioned starts at the northern property line (gate) belonging to Mike and Lynn Tremblay and finishes at the north side of Balsam Street; formerly known as 12 B Street. This ordinance would allow riders to access the State of N. H. Snowmobile Trail system from their homes.

Thank -you for time and consideration in this matter.
