Subject: City council interest

Hi, I am writing in regards to the open position on city council. I would like to fill the vacant position that is available from October 2nd, 2023 to January 15, 2024. I am planning on running in the upcoming election for city council, I want to be involved in my community and bring a new face to the table. I have been a nurse for 28 years and have a passion to advocate, I want to advocate for our community so I feel this is a great way to start.
