I was wondering if you would mind forwarding this to the city council:

In regards to the "Dump Passes": I find it a grievous act of discrimination to only allow vehicle owners passes--even to purchase one. Although I am a long term resident of Berlin, and am willing to purchase a pass, I am not allowed to because I do not own a vehicle to register in Berlin. As a non-driver,(I can not drive due to physical limitations) I find this blatantly discriminatory. I imagine that I am not the only resident that has been stymied by this policy. I beleive that this policy needs to be changed.
