November 21, 2018

Mayor Paul Grenier
168 Main Street
Berlin, NH 03570

Dear Mayor Grenier,

The notice of vacancy for alternate members on the Zoning Board of Adjustment which I noticed in The Berlin Sun has piqued my interest. I do meet the qualifications of being over 18 and a resident of Berlin, in addition I am passionate about the future of our wonderful community.

In the past I have served as a 4-H Council member and a Fairboard planning member. I am as a result familiar with general board protocol. I have already invested my time in the City of Berlin taking part in volunteer activities including the Main Street beautification day, assisting with a church based community clothing swap, and establishing a mothers' support group. I find joy in contributing to my City. I believe my background and involvement in the Berlin community would make me an excellent candidate for the Zoning Board of Adjustment.

Thank you for your time and consideration. If you wish to discuss this prospect further I can be reached via phone 340-6029 or e-mail haletiff817@gmail.com.

Sincerely,

Tiffany Hale
