PREAMBLE

Agreement made by and between the Berlin Board of Education of the Berlin Public Schools, Berlin, New Hampshire (hereinafter the "Board") and its employees represented by the Berlin Educational Support Staff (hereinafter the "Association") unified with the National Education Association–New Hampshire (hereinafter "NEA-NH"). The parties to this agreement are the Board and the local association.

ARTICLE 1 - RECOGNITION

1-1 The Board recognized the Association as the exclusive representative of all District Educational Assistants and Office Management Staff employed by the Berlin Public Schools for the purpose of negotiating with the Board with respect to terms and conditions of employment as defined in RSA 273-A. The Board agrees to meet, confer, and negotiate with representatives of the Association concerning such matters.

1-2 During the term of this agreement, the Board agrees not to negotiate with any employee organization other than the designated unit in regard to any matter subject to negotiation, provided, however, that this shall not prevent the Board from communicating or consulting with any individual employee or group of employees for any purpose the Board deems desirable in the discharge of its responsibilities. Nothing in this agreement is to be construed to preclude the personal appearance before the Board by any employee on his or her behalf. If requested by the employee, the Association may be represented at any official meeting of the Board should such a meeting involve an employee relative to any provisions of this agreement. Meetings with an employee for the purpose of other school matters are excluded from Association representation.

1-3 The term "employee" as used in this agreement shall mean an employee of the Berlin Public Schools whose position is listed in the Certification of Representation dated June 30, 2003 issued by the Public Employee Labor Relations Board (See appendix).

ARTICLE 2 - NO DISCRIMINATION

2-1 The Association agrees to represent equally all Bargaining Unit Members without regard to gender, sexual orientation, race, creed, color, religion, marital status, nationality, ethnic origin, age, disability, or membership in the Association.

2-2 The Board agrees not to discriminate against a Bargaining Unit Member on the basis of gender, sexual orientation, race, creed, color, religion, marital status, nationality, ethnic origin, age, disability, or membership in the Association.

ARTICLE 3 - JURISDICTION AND AUTHORITY OF THE SCHOOL BOARD

3-1 The Board, subject only to the language of this agreement, reserves to itself, full jurisdiction and authority over matters of policy and retains the right in accordance with applicable laws and regulations to direct and manage all activities of the school district.

3-2 The parties understand that neither the Board nor the Superintendent may lawfully delegate powers, discretions, and authorities which by law are vested in them and this agreement shall not be construed so as to limit or impair their respective statutory powers, discretions, and authorities.

ARTICLE 4 - NEGOTIATION PROCEDURE

4-1 Should either party desire to modify or terminate the agreement, it shall so notify the other in writing not later than October 1 prior to the expiration of the agreement. The party desiring to modify or terminate the agreement shall present the other party with a complete list of their proposed changes in writing by no later than October 15. Such a proposal, if made by the Association, shall be forwarded to the School Board through the Office of the Superintendent of Schools, and if made by the School Board, it shall be forwarded to the Association through the President of the Association. Thereafter, the parties agree to enter into negotiations over a successor agreement in accordance with the procedures set forth herein in a good faith effort to reach agreement concerning terms and conditions of employment as defined in RSA 273-A. Any agreement reached shall be reduced to writing and signed by the Board and the Association. Any agreement reached which required the expenditure of public funds for its implementation shall not be binding upon the Board, unless and until the necessary appropriations have been made by the Berlin City Council. The Board shall make every effort to secure the funds necessary to implement said agreement.

4-2 When a tentative agreement is reached on a successor agreement between the Berlin Board of Education and the Berlin Educational Support Staff, a simple "yes" or "no" ballot will be presented to the membership with a positive recommendation from the negotiating committee for ratification.

4-3 During such negotiations, the Board and the Association will present relevant data, exchange points of view, and make proposals and counter proposals. Upon request, the Board will make available to the Association for inspection all pertinent, non-confidential records, data and information of the Berlin Public Schools system in the public domain. Either party may, if it so desires, utilize the services of outside consultants and may call upon professional and lay representatives to assist in the negotiations.

4-4 If agreement is not reached by January 1, following the above procedure, either party may call for impasse resolution utilizing the procedures set forth hereunder. Further, the Board and the Association agree to reasonably insure that the procedures for impasse resolution are not invoked for inconsequential matters.

4-5 After an impasse is declared, the Board and the Association shall each appoint a representative to select a mutually acceptable mediator. If, after ten (10) days from the call for mediation a mediator has not been mutually chosen, the American Arbitration Association shall submit subsequent lists of qualified mediators for selection by the parties.

4-6 The mediator shall meet with the representatives of the parties within a reasonable time after his appointment and establish the points of issue. The mediator will attempt to mediate the points of issue by meeting with the parties or their representatives, or both, either jointly or separately, and will take such other steps as he may deem necessary and appropriate in order to resolve their

differences and effect a mutually acceptable agreement. The cost for the services of the mediator, including per diem fees, and actual and necessary subsistence expenses will be shared equally by the parties.

4-7 In the event the parties have not reached agreement on a contract or mutually agreed to continue negotiating, by February 1, a fact finder will be chosen by the parties, or failing agreement, a fact finder will be appointed according to the procedures of the American Arbitration Association. A hearing shall be held no later than March 1 and the fact finder shall make and report findings of fact, together with recommendations for resolving each of the issues remaining in dispute, within thirty (30) days of the hearing, no later than April 1. The findings and recommendations of the fact finder shall not be made public until the negotiating teams shall have considered them for ten (10) days.

4-8 If either negotiating team rejects the neutral party's recommendations, his findings and recommendations shall be submitted to the full membership of the employee organization and to the board of the public employer, which shall vote to accept or reject so much of his recommendation as is otherwise permitted by law.

4-9 If either the full membership of the employee organization or the board of the public employer rejects the neutral party's recommendations, his findings and recommendations shall be submitted to the legislative body of the public employer, which shall vote to accept or reject so much of his recommendations as otherwise is permitted by law.

4-10 If the impasse is not resolved following the action of the legislative body, negotiations shall be reopened. Mediation may be requested by either party and may involve the board of the public employer if the mediator so chooses.

4-11 The parties shall share equally all fees and costs of fact finding.

4-12 It is understood that both parties have had an opportunity to make proposals and counter proposals on all negotiable issues during negotiations and that this written agreement reached as a result represents the total of all understandings between the parties for the contract term.

4-13 On matter of serious mutual concern, this agreement may be altered, changed, added to, deleted from or modified only through the voluntary mutual consent of the parties, and any agreement reached shall be in writing and signed as an amendment to this agreement. If the changes result in a change in cost items, they shall be brought to the legislative body for approval.

ARTICLE 5 - EMPLOYEES' SALARY SCHEDULE

5-1 Individual wages, terms and conditions of employment shall not be inconsistent with the terms of this agreement.

5-2 An employees' salary schedule is contained in appendix A of this agreement.

5-3 Initial placement on the hourly wage schedule shall be at the discretion of the Superintendent. However, no employee hired shall be placed on a higher step than present members of the bargaining unit with the same amount of experience. Thereafter, employees who have completed more than 50% of their scheduled work

year and whose performance is satisfactory shall be advanced one step on the appropriate wage schedule the following fiscal year, upon the recommendation of the Superintendent and the approval of the Board, until the stated maximum has been reached.

5-4 An employee whose work is judged unsatisfactory may be retained at the same step or hourly wage for the succeeding year or be terminated. Any employee who has had an increment withheld may request a review in writing by the Superintendent of his/her performance to determine if he/she should continue to be retained at the same step or hourly wage for the succeeding school year. Following such a review, the Superintendent shall, at his discretion, determine whether to retain an increment or restore the employee to a higher step on the hourly wage schedule or to the step the employee would have achieved if the employee had not been retained. The Superintendent shall inform the employee of his/her decision. The Superintendent's decision may be appealed to the Board of Education.

ARTICLE 6 – SICK LEAVE BUY BACK

Full-time, year-round OMS employees who have completed fifteen (15) consecutive years of full-time employment with the Berlin Public Schools are eligible to receive payment of their unused accumulated sick leave up to a maximum of sixty (60) days upon notification of termination of employment through no fault of the employee with the Berlin Public Schools. Payment of these days is calculated at 1/200th of their annual salary. The maximum dollar amount paid for these days is \$6,000.

All non-full time year round OMS employees and Educational Assistants who have completed fifteen (15) years of employment with the Berlin Public Schools are eligible to receive payment for accumulating their sick leave. Payment shall be made in the following manner, fifteen consecutive years \$1,250, those who have completed twenty (20) consecutive years \$1,750 and those who have completed twenty-five (25) consecutive years \$2,250. In order to receive this payment an employee must have a balance of thirty-five (35) sick days upon notification of termination of employment through no fault of the employee.

ARTICLE 7 - EVALUATIONS

A minimum of one annual performance evaluation will be conducted by the employee's supervisor in collaboration with the Building Principal, Program Director and Superintendent of Schools. Additional observations including written and/or oral feedback are not limited and are part of the annual evaluation process. Multiple evaluations and observations may occur at the discretion of the supervisor.

The evaluation process shall be developed by the administration with input from BESS and given to each member of the bargaining unit prior to receiving an evaluation. All employees are to be evaluated each work year based on a written job description (see appendix for **sample** job description(s)). The evaluation is done by the employee's immediate supervisor based on an observation of the employee and must be in written form with a copy to the employee, containing the signatures of the employee and the supervisor. If the employee disagrees with the evaluation report, he/she may so indicate in writing within two weeks of receipt of the evaluation report; and upon request, the written statement of disagreement shall be placed in his/her personnel file and attached to the relative documents.

ARTICLE 8 - COURSE REIMBURSEMENT

In order to receive course reimbursement an employee must have worked for the District a minimum of two years.

The district shall reimburse each bargaining unit member up to 85% of the employee's cost per credit. The annual maximum reimbursement will be nine credits per employee. Only graduate level courses will be reimbursed once an individual has achieved an undergraduate degree.

To be eligible for tuition reimbursement, the courses must be approved by the Superintendent in advance, be a requirement of an approved educational degree program applicable to the employee's position and/or a course applicable to the employee's position, and the bargaining unit member must receive a grade of B or better. Applicability is subject to interpretation of the Superintendent of Schools. If there is a disagreement as to whether or not the subject is applicable, the employee may appeal to the Board of Education for their final decision. When a grant or aid is received from any source, that sum shall be subtracted from the cost of the course prior to calculating the district's reimbursement.

Any bargaining unit member who receives course reimbursement and leaves the employ of the Berlin Public Schools is obligated to reimburse the district for course reimbursement received during the last ten months. This requirement does not give bargaining unit members a guarantee of future employment. Any bargaining unit member who has not been rehired (except for cause) will not be subject to the reimbursement schedule. The Board has the right to waive this reimbursement requirement for extenuating circumstances.

In order to receive tuition reimbursement the final grade for the approved course must be submitted to the central office within four weeks after the close of the semester.

Employees working in a grant funded position shall receive course reimbursement subject to the availability of grant funding. Reimbursement will be made according to the above language but on a first come, first served basis until funding is depleted.

If the employee cannot work his/her full two-year notice for any other reason, the incentive received to date must be repaid.

ARTICLE 17 – GRIEVANCE PROCEDURE

Definition: A grievance, for the purpose of this agreement, is a complaint by an employee or employees, against the employer with respect to a violation or misapplication of any of the provisions of this agreement.

A grievance, to be considered under this procedure, must be initiated in writing by the employee within ten (10) days of its occurrence, or within ten (10) days of when the employee, by reasonable diligence, should have known of its occurrence.

The term "days" when used in this article shall mean working school days; except after the school year has ended, when they shall be Monday through Friday, thus weekend or vacation days during the school year are excluded.

Procedure:

Step 1

An aggrieved employee shall discuss it first with his/her principal, (or other immediate supervisor, as applicable) in an attempt to resolve the matter informally at

that level. The immediate superior shall communicate his/her decision to the grievant within ten (10) school days.

Step 2

The grievant may appeal the decision to the principal within ten (10) school days after receipt of the decision of the immediate supervisor. The appeal to the principal must be made in writing in the form contained in Appendix C specifying: (a) the nature of the grievance, (b) the nature and extent of the injury or loss claimed, (c) the results of previous discussions of the grievance, (d) his/her dissatisfaction with decisions previously rendered, (e) the remedy sought.

Step 3

If the grievance is not resolved to the grievant's satisfaction at Step 2, he/she may appeal the grievance to the Superintendent in writing within ten (10) school days.

The Superintendent shall review the facts in the case and the decisions rendered at previous steps in the grievance procedure and shall, within ten (10) school days of receipt of the appeal to this level, meet with the grievant and communicate his decision in writing to the grievant. If the grievance is settled at Step 3, a copy of the Superintendent's decision shall be sent to the President of the Association.

Step 4

If the grievance is not resolved to the grievant's satisfaction at Step 3; he/she may request a review by the Board. Such a request must be made within ten (10) school days after the receipt of the Superintendent's decision and shall be submitted in writing through the Superintendent. The Board shall review the grievance and may, or at the request of the grievant, shall, hold a hearing with the grievant. Within ten (10) school days of the receipt of the appeal, the Board shall render a decision in writing and forward copies of the decision to the grievant and to the administrators involved at the previous steps of the grievance procedure and the President of the Association.

Any expenses incurred shall be paid by the party incurring it.

Failure at any step of this procedure to communicate the decision on a grievance within the specified time limit shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be a waiver of further appeal of the decision and acceptance of the decision rendered at that step.

The Board and the Association shall assure that all persons involved in the processing of a grievance shall not be restrained, coerced, or otherwise interfered with in the exercising of their rights under the grievance procedure.

ARTICLE 18 – PAID HOLIDAYS

For year round employees there are twelve (12) paid holidays per year: Labor Day, Columbus Day, Veteran's Day, Thanksgiving, the day after Thanksgiving, Christmas Eve, Christmas, New Year's Day, Civil Rights Day, Presidents' Day, Memorial Day, and July 4th. Due to the school schedule, some holidays may be taken during school

vacations rather than on the actual holiday. The central office will notify all eligible staff of when holidays will be celebrated prior to the beginning of the fiscal year.

For school year OMS employees the following (11) holidays are paid holidays: Labor day, Columbus Day, Veterans' Day, Thanksgiving, day after Thanksgiving, Christmas Eve, Christmas, New Year's Day, Civil Rights Day, Presidents' Day and Memorial Day.

For educational assistants the following (10) holidays are paid holidays: Labor Day (if school starts prior to Labor Day), Columbus Day, Veterans Day, Thanksgiving Day, day after Thanksgiving, Christmas Eve, Christmas, New Year's Day, Civil Rights Day, and Memorial Day.

In order to be paid for a holiday, the employee must work the entire day of the last scheduled day prior to the holiday and the first scheduled day following the holiday. Use of approved, paid leave for either of these days allows payment for the holiday.

Employees approved to work more than forty hours in one week shall receive time and one half for hours worked in excess of forty hours. Holidays and vacations shall count as hours worked in determining the forty hour work week.

ARTICLE 19 – VACATION

Full-time year round employees (Category C) shall accrue vacation time at the following rates:

Years of Service		Number of Days
1 - 5	2 weeks	(.83/month)
6 -10	3 weeks	(1.25/month)
11-15	4 weeks	(1.67/month)
15+	5 weeks	(2.08/month)

"Days" as used in this section refer to the number of hours the employee is regularly scheduled to work during the time they are taking their vacation.

Vacation will be prorated during an employee's first year of service to reflect the number of vacation days available between the one year anniversary of their date of hire and July 1. These vacation days must be used by June 30th then on July 1st employees shall receive two weeks of vacation to use during the new fiscal year. Vacation time is taken only after it is earned.

After the first year of service all vacation time is to be taken between July 1 and June 30 on the year after it is earned with no carryover allowed. Any unused vacation remaining after June 30 is forfeited.

Vacation time begins accruing on the 15th of the month after the date of hire for new employees. For current eligible employees, vacation time will begin accruing on the 15th of July for the following year.

All requests for use of vacation time will be made in a timely manner and made in writing using the Berlin Public Schools leave form. Vacation requests made in accordance with the guidelines shall be approved unless work-scheduling demands reasonably prohibit the employee(s) from being absent at the requested time.

Vacation is scheduled on a first-come basis. Bargaining unit members are encouraged to take vacation when school is not in session.

Upon termination, an employee shall be paid for any accrued and unused vacation time at his/her regular rate.

Vacation time is not earned during unpaid leaves.

ARTICLE 20 - TRANSFERS – CATEGORY B TO CATEGORY C

If a school year OMS (Category B) changes to a full-time, year round position (Category C), adjustment of seniority for full-time benefits will be made. Benefits will be prorated according to the following formula (hours per day worked divided by eight then that amount multiplied by .75). For example:

6.5 hrs/day	$6.5/8 \times .75 = .609$ (61%)
6 hrs/day	$6/8 \times .75 = .5625$ (56%)
4 hrs/day	$4/8 \times .75 = .375$ (38%)

Any portion of a year earned will be rounded off to the nearest whole number.

ARTICLE 21 – LONGEVITY

Effective July 1, 2016 year round office management staff (OMS) who have completed the following years of service with the district as of July 1st shall receive, in addition to all other compensation:

7-14 years of service:	Six hundred dollars (\$600)
15-24 years of service:	Seven hundred dollars (\$700)
25+ years of service:	Eight hundred dollars (\$800)

Note: Years of service shall be consecutive and calculated based on the proration formula contained in Article 20 of the collective bargaining agreement. Payment is made in a lump sum and once a year only (during the month of December).

Effective July 1, 2017 the longevity shall apply to all other bargaining unit employees in the same manner including the use of the proration schedule contained on Article 20.

ARTICLE 22 - SNOW DAYS/DELAYED ENTRY/EARLY RELEASE/CANCELLATION

Snow days are not workdays for educational assistants and thus not a paid day. These individuals will be required to work on the makeup day which will be their regularly scheduled work day replacing the snow day.

If for safety reasons weather conditions reasonably prevent an OMS from reporting to work, the employee may elect to use vacation time(if available), an emergency day, or leave without pay for the day, provided the employee has reported his/her absence to his/her supervisor prior to his/her scheduled reporting time. If an employee reports to work late due to inclement weather, he/she may elect to make up the missed time on that day or take unpaid time. Working a snow day does not increase the total number of work days for OMS.

Delayed Entry/Early Release

All Educational Assistants shall be paid for their normal hours of work during a Delayed Entry or Early Release.

ARTICLE 23 - NO STRIKE PROVISION

In consideration of this agreement and its terms and conditions, the Association, its officers, representatives and members shall not, during the term of this agreement, engage in or condone any strike, slow down, work stoppage or other concerted refusal to perform any assignment on the part of any employee(s) represented hereunder, nor shall the Association or its members take part in or condone "sanctions" against the School Board or the School District.

ARTICLE 24 - SAVINGS CLAUSE

If any provisions of this agreement or any application of this agreement to any employee or groups of employee is changed by legislative action, executive order or directive of the State Board of Education or is held to be contrary to law by a court of competent jurisdiction, and a final determination has been made, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or application shall continue to full force and effect.

In such case, a meeting(s) shall be held, upon the request of either party not earlier than 30 days after such legislative change is made, executive order or State Board directive is issued, or binding court ruling is issued, for the purpose of adjusting the specific provision(s) in conflict with the law or the order or directive so that it conforms to the law, order or directive.

ARTICLE 25 - MISCELLANEOUS

A. Copies of the agreement between the Berlin Board of Education and the Berlin Educational Support Staff, NEA-NH, NEA, shall be reproduced at the expense of the Board as early as possible after ratification of the contract and presented to all bargaining unit members now employed or hereafter employed by the Board. Further, that the Board will furnish ten (10) copies of the agreement to the Association for its use.

B. Regular meetings may be held between the Association representatives and the Superintendent of Schools at the request of either party to review and discuss current school problems and practices and the administration of the collective bargaining agreement. These meetings will take place after school and the meeting dates and agendas shall be mutually agreed upon.

ARTICLE 26 - REPORTING TO WORK

In justice and fairness to the City of Berlin and its taxpayers, all employees shall be required to report to work on time, shall not leave the job early, shall be prompt in reporting to their assigned duties and shall faithfully perform their duties.

ARTICLE 27 – RIGHT TO DISCIPLINE

It is agreed that the Superintendent has the right to discipline for just cause. All information forming the basis for disciplinary action may be made available to the employee upon his/her request. Disciplinary action shall normally follow this order:

1. verbal warning
2. written warning
3. suspension without pay
4. discharge

However, discipline may be taken out of order depending upon the severity of the infraction.

Any employee may be dismissed for reporting to work under the influence of a controlled substance or alcohol, bringing or consuming controlled substances or alcohol on the job, theft, insubordination, immoral action, or for similar serious offenses.

If an employee is discharged or is disciplined, he/she may request a hearing, but the request for such a hearing must be made within one week from the date of discharge or disciplinary action. Such request for hearing shall be filed, in writing, with the Superintendent of Schools. If the action of the Superintendent is not satisfactory to the employee, he/she shall have the right to appeal the Superintendent's decision to the Board of Education. The decision of the Board shall be final subject to rights conferred by law.

ARTICLE 28 – WORK DAY AND WORK YEAR

Category A – Educational Assistants	194 days*
<u>(184 work days plus 10 holidays)</u>	

*Title I Educational Assistants' work year is less. The work year varies with funding and is determined on an annual basis.

Category B – OMS School Year	212 days
<u>(201 work days plus 11 holidays)</u>	

Category C – OMS Year Round	Year Round
-----------------------------	------------

All employees must take a half-hour, unpaid lunch each day. No employee is to work more than five consecutive hours prior to taking lunch. Employees cannot work through lunch in order to leave early at the end of the day except in extenuating circumstances with prior approval from his/her supervisor.

Category C employees will work the same number of hours and the same workday throughout the fiscal year. In the event of fiscal constraints, management retains the right to modify hours to minimize impact on student services. If an adjustment of hours is made, as much notice as possible will be given to the individuals involved.

In-service days are scheduled workdays for all office management staff.

During the notice period, the employee shall remain in their current position, if available, or be used in other capacities. The affected employee(s) will be considered for future openings based on a number of factors, including but not limited to "Highly Qualified" status, educational degree, specific training/education in the area of disability of the child or for the position, best match for the child, experience at the grade level of the student(s), job performance and years of service. If the affected employee is rehired, there will be no loss of credit for prior years of service.

hall be corrected to provide for the safety and well being for all staff members.

ARTICLE 31 - NEGOTIATIONS FEE

It is understood that the negotiations for, and administration of, the Agreement entails expenses, which appropriately should be shared by all employees who are beneficiaries of the Agreement. To this end, if in the future a new hire in the bargaining unit does not join the Association; such employee will execute an authorization for the deduction of a "representative fee" not to exceed seventy-five percent of the Association local, state, and national dues, which sum shall be retained by the Association. Any current bargaining unit members who were hired prior to June 30, 2014, shall be grandfathered under this section to pay an amount equal to half of the total dues. Guiding Principals:

- Educational assistants **are not teachers and will not carry out tasks normally reserved for teachers**. They are responsible to the teacher who prepares and plans lessons, activities, and seat work. They may be asked to assist in the preparation of materials planned by the teacher – BUT not during the time they should be working with a student or students.
- Educational assistants may be assigned to work in the classroom with the teacher, in another classroom with a teacher in a “main-stream” environment, or with a small group of students in a room assigned for that purpose. They may supervise activities of work planned by the teacher, such as practicing, reviewing concepts taught, reading with groups of students, etc.
- Educational assistants will not be responsible for direct evaluation such as preparing and marking exams. They may, from time to time, be asked to do minimal corrections, but it is important that the teacher be aware of students' understanding and progress by checking their work regularly.
- Any inquiries from parents regarding their child's progress shall be directed to the teacher. Communication with parents shall be through the teacher.
- Educational assistants have the authority to administer appropriate disciplinary measures in regards to unacceptable behavior within and outside of the classroom. More serious or repeated incidents shall be brought to the attention of the teacher, assistant principal or principal, who will in turn administer appropriate disciplinary measures.
- Ongoing, daily communication between the educational assistant and the teacher is expected. This is a team responsibility for the case manager, teacher and educational assistant.
- Individual educational assistants/rehabilitation assistants, although assigned to a particular student, may assist other students in that group or classroom, keeping in mind that the assigned student is their primary responsibility. On Medicaid timesheets, **ONLY** their student may be claimed for reimbursement.

Working Hours:

Work hours are those delineated in writing by the Director of Special Education at the beginning of the school year or as amended by a change in their student's IEP. Attendance at IEP meetings shall be on a case by case basis, at the request of the case manager and must be pre-approved for pay in advance by the Director of Special Education. Any work they may volunteer outside their time frame is on their own time.
