

Mayor Robert Cone  
Berlin City Council Members  
168 Main Street  
Berlin, NH 03570

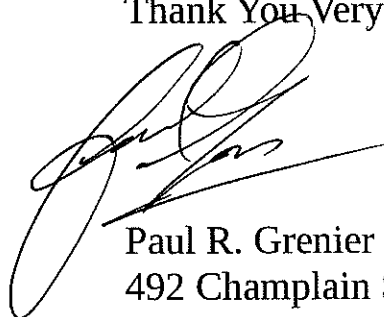

March 14, 2024

Dear Mayor Cone,

Please accept this letter to express my interest in filling a recent vacancy on the Berlin City Council per the conditions of the Berlin City Charter. As you all know, I have served as a City Councilor for sixteen consecutive years prior to my service as mayor for fourteen consecutive years. I know and understand first hand the myriad of challenges our community faces and my decades of service and the people I've met along the way will be a huge asset for Berlin should I be chosen.

Being a city councilor would be a welcome role for me as I can help newer folks adapt and understand the role the city council plays, not only in Berlin, but in the Androscoggin Valley. Berlin is very well poised for success well beyond our wildest dreams. It has always taken a team effort from the city council, senior municipal management, our dedicated employees and volunteers to map Berlin's future. I have a lot to give and a very unique set of experiences to move Berlin forward. I very much look forward to your interview process as I share my extensive experiences.

Thank You Very Much
