Under Federal law, such professionals accept that they work varying hours and work schedules to meet their department's goals. The City agrees that when it becomes necessary for a Department Head to work hours that are considerably extended beyond their general work schedule they shall accrue compensatory time at a rate of one and one half hours for each hour worked and the Department Heads shall be paid at a rate of time and one half for all hours worked on a holiday. Payment shall be for a minimum of four hours for any hours worked except any previously scheduled work hours. Any Department head who has severed their employment with the City shall be eligible for payment of their compensatory time on the record for the previous two hundred calendar days, at their then current rate of pay, provided they submit their documentation to the City Manager. This shall include resignation with at least three weeks notice, retirement, or layoff.
