PRECINCT 2 and 3 VOTERS

Formerly Voters of Wards 2 and 3

After careful consideration of issues related to using the schools for voting including safety of the students, the Berlin School Board asked the City Council to remove all voting in Berlin Public Schools.

Effective immediately following the November 2015 Municipal Election, Precinct 2 will no longer vote at Berlin Jr. High School Gym and Precinct 3 will no longer vote at Brown School. These precincts will be combined to form a new voting precinct that will vote at St. Anne Parish Hall on 304 School Street. This location has accessible parking. The church parking lot will be available as well as on-street parking. If you cannot get to the St Anne Parish Hall you may request an absentee ballot. Call the City Clerk Office **752-2340** for information no later than one (1) week before the election.

This Change Will Take Effect At The 2016 Presidential Primary Election.
