

May 9, 2018

Addendum for:

REQUEST FOR PROPOSALS

LED Streetlight Conversion

Public Works

Due May 15, 2018

No later than 4:00 p.m.

Clarifications:

1. Installers will be required to provide adequate traffic control where necessary.
2. Where equipment proposed does not meet the listed specification the vendor shall note and highlight such differences/exceptions plainly so that they can be taken into consideration when proposals are reviewed.
3. Existing Decorative Lighting is based on the Sternberg Elm St. design (www.sternberglighting.com/elm-street-b780). Some fixtures are not manufactured by Sternberg but are of the Elm St. design. The luminaire specification is B780R-LO3/250MH/BLK/SCC. Retrofit kits are acceptable.
