March 11, 2020

Deleted text – ~~struck through~~
Added Text – ***Bold/Italicized***

Anticipated Cost Proposal

A ~~sample of the~~ City of Berlin Anticipated Utility Appraisal Cost Proposal *form* is *following this page* attached. ***Respondents should indicate their anticipated utility appraisal costs on this form.*** Final terms and conditions will be negotiated between the City and the selected finalist prior to the time of award. It is understood that response to this Request for Proposals indicates a willingness to enter into a contract with the City of Berlin if selected. Failure of the successful bidder to execute the contract within ten (10) days after prescribed forms of agreement are reached and are presented for signature may be determined by the City of Berlin to constitute a default and the City of Berlin may choose to award the contract to the next responsive submitter. The City may also choose to issue a new Request for Proposals.
