To: Berlin City Council
From: Jim Wheeler, City Manager
Date: 8/02/2021
Re: City Manager's Report

1. The EMS Call Report for the Month of January 2021 through June 2021 is attached.
2. The Fire Department Incident Report for the Month of July is attached.
3. In a meeting with Richard Rosen of North Country Growers last week, he indicated that they plan to begin construction activities on site within the next few weeks.
4. I'd like to thank the Berlin Police Dept. and Assistant Director of Public Works, Mark Lapointe, for their help in identifying and addressing items deposited in the public right of way. Just today we had a claim of full blown automotive mechanical and body work being done in a public street (the 2nd in as many weeks), an unregistered camper and an illegal driveway access in the street.
5. If you haven't visited the Library recently, I encourage you to contact Head Librarian Ann Brungot for a tour of changes they have made on the inside of the library. They have reorganized the main floor such that it is very welcoming and highly functional. You will also want to visit the outside location at Kelly Park. This location is a great asset with available wifi.
6. Councilor Joe Kinney and NHDOT have scheduled this fall's GACIT Hearing on September 23, 2021 at 9 AM in the City Hall Auditorium.
7. A pre-construction meeting for the Mason St. Bridge project has been scheduled for August 11th in advance of the Sept. drawdown of Smith Hydro.
8. Finance Director Holly Larsen completed the submission of the City's American Recovery Plan Application today in advance of the August 18th deadline.
