

SIDEWALK PLOWING: The City plows approximately 27% of existing sidewalks. This equals approximately 16 miles of sidewalk. The sidewalk plows are dispatched along with the street plows. Generally, two sidewalk tractors are sent out. 4 Sidewalks are generally plowed in order of the following priority: Priority 1. Downtown Area Priority 2. Walks in immediate vicinity of schools, churches and funeral homes Priority 3. Major collector walks leading to schools Priority 4. Remainder of walks Sidewalks are also sanded on an as needed basis. Sidewalks to be plowed are listed in Appendix C.
